Attached is the budget narrative for the Outbreak net grant application. There is no limit to budget narrative – so if something didn't quite fit in the project narrative and you think you can squeeze in here – feel free. Feel free to make narrative edits, deletions, corrections (Linda, I guessed at your lab needs)...as you see fit (not \$\$ amounts). If I could have any comments back by Fri that would be great.

Let me know if you have any questions,
